Important Information

The RADF Program requires all grant recipients to complete an Outcome Report no later than 8 weeks after the project has ended. It is a set condition of receiving a RADF grant and is a formal stage of the funding cycle. It is how you account for how you have used public (ratepayers' and taxpayers') money. Read through the Outcome Report before you start your funded project to ensure that you're familiar with the kind of information required for you to report against.

The information in your Outcome Report also helps Arts Queensland and the Council to understand the nature of the arts and cultural industry and identify future investment opportunities to support arts industry development and professional artists. Make sure that the information you supply in the Outcome Report is accurate, and respond to every question that relates to your funded activity.

Refer to your original application

It is your responsibility to ensure that all information and amounts recorded on the Outcome Report form and other related documents are accurate and can be accounted for. It is recommended that you refer to a copy of the **original application** you sent to Council in order to fill out your Outcome Report.

Record-keeping of official documents

All receipts relating to the spending of RADF money must be attached with this Outcome Report.

Unspent RADF money

Any RADF money not spent on the funded project must be reflected in the Financial Summary of this Outcome Report. Unspent money is returned to the Council along with this report.

Help is available

If you have any questions on how to complete this Outcome Report, contact your Council RADF Liaison Officer for assistance.
