3 STEPS TO GET READY

getready.qld.gov.au

When it comes to extreme weather events in Queensland, it's not a matter of 'if' but 'when'.

Storms, floods, cyclones and bushfires can hit at anytime and anywhere. Be aware and be prepared to protect what's most important to you.

STEP 1:
Make a plan

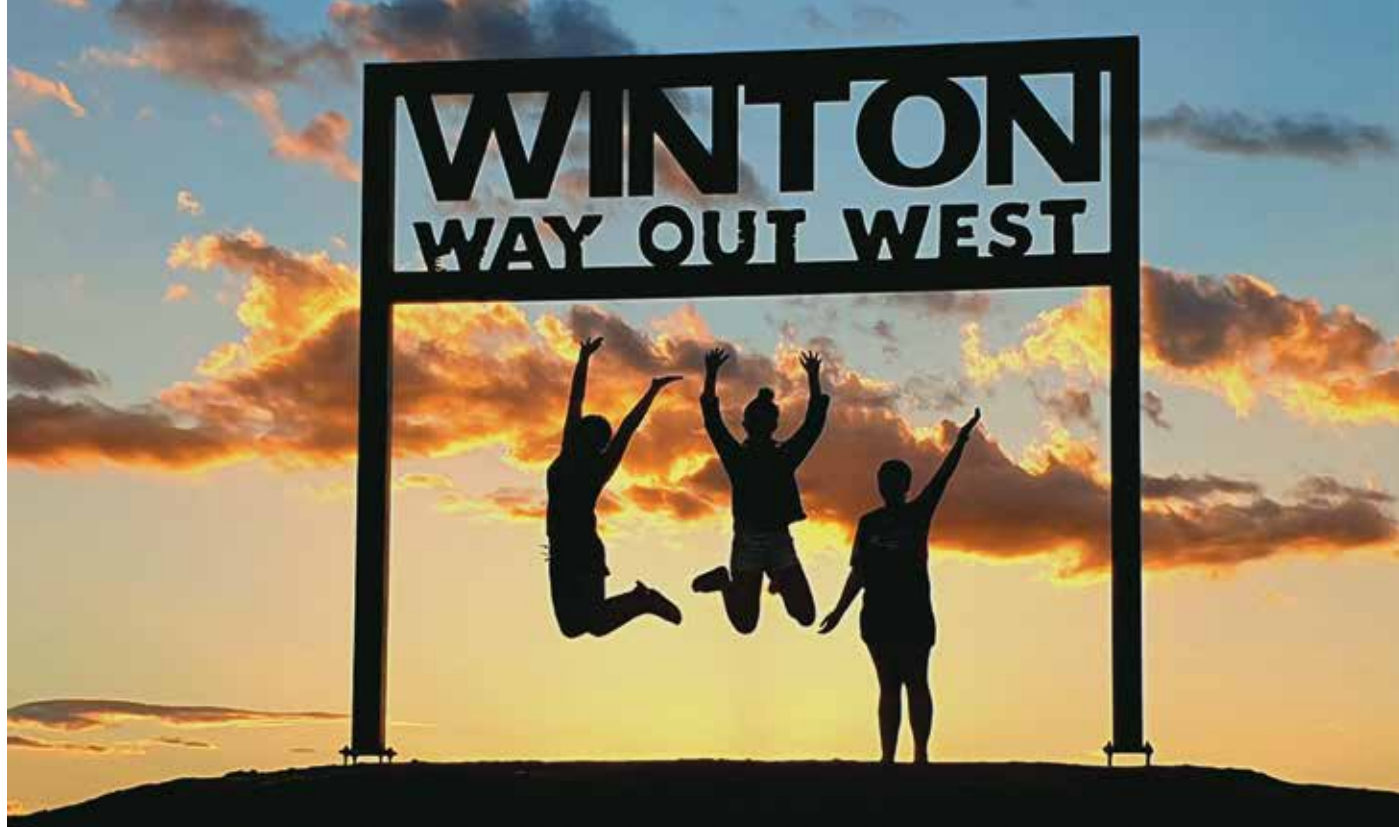

STEP 2:
Pack supplies

STEP 3:
**Make sure
you're covered**
