

INFORMATION

Lawn Assistance is a community service offered to eligible Winton seniors, or people with a disability, who need support to maintain their yard. Lawn assistance includes mowing and whipper snipping only. The service is provided by Corrective Services and due to the availability of human resources, this service is provided when resources allow. It should be noted that this is not always at regular intervals.

For more information or assistance in completing an application or service enquiries, please contact the Winton Shire Council on (07) 4657 2666.
