Organisational environment

Winton Shire Council's Mission Statement is:

"Through meaningful engagement, implement a range of strategies that cater to people from all walks of life, our community needs and aim to enrich our lifestyle and preserve our heritage".

Winton Shire Council's Vision is:

"To grow our community and explore exciting, new and innovative opportunities which will retain existing and attract new people with whom we can share our unique lifestyle and rich heritage".

Winton Shire Council's Corporate Values are:

Accountability:

The ethical concept associated with responsibility, enforcement, blameworthiness, transparent process, liability, and other terms associated with being answerable for the trust that is bestowed by those whom we serve.

Effectiveness:

The idea of carrying out a program or process that is entirely adequate to accomplish the purpose that has been identified as a goal or aspiration.

Efficiency:

The concept that in the process of pursuing or effecting any program, procedures, or task where all wastage is minimised.

Sustainability:

Is the capacity to maintain a certain process or state indefinitely? When applied in an economic context, a business is sustainable if it has accepted its practices for the use of renewable resources and is accountable for the environmental impact of its activities.

Meaningful Community Engagement:

Encompasses the principle of seeking the views and opinions of the Community. This is to be through an effective committee system and public consultation process as part of Council's decision making methodology.

Good Governance:

This describes the process of decision-making and the process by which decisions are implemented (or not implemented), hereby, public institutions conduct public affairs, manage public resources, and guarantee the realisation of human rights. Good governance accomplishes this in a manner essentially free of abuse and corruption and with due regard for the rule of law.

Ethical and Legal Behaviour:

Ethical behaviour is characterised by honesty, fairness, and equity in all interpersonal relationships. Ethical behaviour respects the dignity, diversity and rights of individuals and groups of people. When coupled with legal behaviours there is an expectation that there will be a penalty for conduct that breaches any law statute or regulation.
