A NEW ERA FOR THE ROYAL THEATRE WINTON

Story by Ian Kelleher

Article 1 of 3

The Royal Theatre Winton has been the centre of the local culture and social scene since 1918. Now, 103 years later, the theatre is operated by a not-for-profit group called Winton Movies Inc. (WMI). The team is 100% volunteer based and they are motivated to contribute to the local community through restoration of the theatre, bringing new events to Winton and regular movie screenings. Jeff Close is the WMI Chairperson, “Our purpose is centred on promoting film and cultural experiences for the benefit of the local Winton community and our many visitors the Queensland Outback. We strongly believe the theatre can be an iconic creative and cultural epicentre for the Winton community.” If you haven’t visited the theatre this year, you’ll will love the renovations and improvements already completed. In February the Candy Bar and Foyer had a complete makeover and it has become a crowning glory for the theatre. In addition, the Museum has become a major feature having been relocated to the street frontage, 100 new canvas seats have been added and the bathrooms have been upgraded. Jeff explains, “we still have a lot of work to be done. The next priority project is to enclose the projector room so that we can protect the digital projector and we are making plans for further upgrades, when we raise the funds.” The upgrades and renovations are being

funded through grass roots fundraising and grants. The team have just launched a limited number of Foundation Memberships so you can directly contribute to the preservation of Royal Theatre Winton and be part of its future. As a Royal Foundation Member, a nameplate will be dedicated to the member and will be proudly displayed on one of the iconic canvas chairs in the theatre – your own Royal Deckchair. The membership also entitles you to receive special privileges and membership of the organisation. If you are interested in knowing more, you can visit the new Royal Theatre Winton [website](http://www.royaltheatrewinton.com.au) – www.royaltheatrewinton.com.au – to view the

details and secure your own Royal Deckchair.

The Winton Herald is a volunteer-produced newssheet for Winton Business & Tourism Association facilitating and supporting business, tourism, and community of Winton Shire since 1967.

THE WINTON HERALD

Winton Business & Tourism Association

President:	Hylton Ward
Vice President:	Jeff Close
Secretary:	Vicki Jones
Treasurer:	Kate Cremin-Rose
Editor:	Jodie

Publication Purpose

The Winton Herald is a not-for-profit publication produced by volunteers of the Winton Business & Tourism Association.

All our volunteers who assist in production of this weekly publication have commitments to full-time employment and their families outside of their volunteer responsibilities to The Winton Herald.

Editorial Submissions

The Winton Herald currently does not have a local journalist/editor and as such we are relying on community members to submit articles for publication. If you have recently been involved in running an event, please send a short article and a photo or two to the Editor at wintonheraldeditor@gmail.com for inclusion in the next available issue. Please note **submission deadline of 8pm Monday** for all articles and photos. Articles may be edited for length or consistency.

Advertising Submissions

Advertising helps to cover our costs of production and ensure that we can continue providing a free weekly publication. All advertisers require a credit account with the Winton Business & Tourism Association, if you are a new advertiser, please email coordinator.wbta@gmail.com for an account application form.

Advertisements should be emailed to the Editor at wintonheraldeditor@gmail.com with the following details:

- Size of ad placement
- Date the ad is to be run and if the same ad repeats
- Ad should be attached as a PDF or JPG

Help keep us up to date!

Please submit your events, with location and time to
wintonheraldeditor@gmail.com

The WBTA hopes to have your event in our calendar at least two weeks prior to its occurrence to give those living out of town a chance to attend. In the past, many have commented that they did not know an event was on until it was too late - we are hoping to change that

WINTON DEVILS AT LAURIE SPINA

Article from Mandy Smith

Our under 11's Winton Devils team travelled to Townsville last weekend to play in the Laurie Spina carnival. We welcomed Nate, Pattison and Seth from Moranbah, Cooper and Lachlan from Moura, Cooper from Barcy and Brayden from Biloela to make up our team.

This was the first time our players from Winton had experienced a carnival and they were in awe of the 70 teams and 8 fields!

Our first game against the Western Lions was where we found our feet and the players started working as a team. There were some great runs from Logan, Nate and Seth. In a great show of sportsmanship teams formed tunnels and clapped other teams on and each team awarded a players player from the opposite team each game. Players player for this match was Seth. We had a special guest, Laurie Spina himself come and give the kids a pep talk which was amazing!

Our next game, against the Mareeba Gladiators, found us scoring some tries with Cooper, Seth and Nate going over. Players player was Nate who also did a great job of helping direct play.

After our second game 8 of our players competed in the relay race with all other 70 teams! It was amazing to see everyone running at the same time and it's safe to say

there are some very fast 11 year olds!

The game against the Calliope Roosters was a close game with tries to Cooper, Logan and Lachy. Players player for this match was Logan.

Our last game was a tough game against Edmonton Storm with Nate going over for a try. There was plenty of defence happening with Max and Logan stepping up. Players player for our last game of the day was Nate.

The second day was a bright and early start with our first game against the Mackay West Tigers at 8am. It was a hard and fast game with our players working together well. Chad had some quick little runs from dummy half and worked well with Bella at first receiver. There were some big runs and tackles with Bella taking a big hit like a champ! Cooper scored a double in this game with his fast and hard running and was the players player for this match.

Our next game was against the Clermont Bears. This saw Cooper from Barcy as dummy half and Amber as first receiver. These two really found their voices in this game, with some good runs and offloads and Amber was awarded players player for this game. Jude fired up with a couple of good runs and even better tackles. Brayden made some excellent runs in attack and was unlucky to narrowly miss a try. A try for Cooper and Patti in this game.

Our last game for the carnival was against Townsville Brothers Blue and we really performed. Ethan and Max worked well as dummy half and first receiver and Ethan had some fast runs from dummy half and great kicks. Players player was awarded to Amber taking her second for the day and really showing potential! Tries for Lachy and Seth in this game. Next stop was the Queensland Country Bank Stadium where we saw the Cowboys play the Roosters! Even though the result didn't go our way it was a great experience. We may have even seen a couple of local gloating Roosters supporters on the way out.

We would like to give a big shout out to the Emerald Tigers who were staying next door and didn't hesitate to give us a lift in their coach!

Huge thanks to Carly and Dan for their coaching expertise and Seth Black for being our League-safe official for the whole weekend.

Thank you to our sponsors, families and community members who helped us in any way. Your support is appreciated

A WINTON SPORTS STAR

Article submitted by Tina Elliott

Winton sends a big congratulations to Piper Godfrey for being selected as **the Captain of the North Queensland Cross Country Team.**

Piper represented her school, All Souls St Gabriels School in the NQ Trials in early June and placed 2nd at this event. From this, she was selected to complete in the QLD State Championships at Limestone Park, Ipswich. This event was held over the weekend of Saturday 17th July – Piper, as usual, gave it her absolute best and placed a fantastic 41st. This was the third time Piper had been invited onto the NQ Cross Country Team. What a credible effort, Piper. You are a star!

On an unfortunate note, Ned Elliott who was also selected to compete with the NQ Team was unable to attend due to an ankle injury he sustained in a football match prior to the end of Term 2. (This also took him out of the Schoolboys Confro Cup)

CORRECTION TO ARTICLE 9th July 2021

The Editors recently received an email about an article we ran in the 9 July 2021 edition that had some incorrect information. We are therefore printing an amendment with the correct information

The article made reference to the house, 'Yelvertoft', in Charters Towers, once owned by James Mitchell of Winton. It said, in part: "The house was then transported from Winton to Charters Towers." This statement is incorrect. 'Yelvertoft' was never moved to Winton. Other houses had already been brought to Winton from Charters Towers.

Here is some further information which might be of interest.

'Yelvertoft' was built about 1906 for David Rollston, a leading mine manager in Charters Towers. The house was named after the village in which Rollston was born in Northamptonshire, England. Rollston died in 1912. His three surviving sons were already established on the land, so they put 'Yelvertoft' on the market. In 1917, probably in the early part of the year, James Mitchell bought it for a 'couple of thousand pounds' with the intention of moving it to Windermere, his property to the south of Winton. It was soon realised that 'Yelvertoft' was too large to be moved. It was realised, however, that the house provided new opportunities for the education of Mitchell's children.

Three of the Mitchell children were withdrawn from the Winton school in May 1917, and were enrolled in Charters Towers schools. At that stage neither Thornburgh nor Blackheath had opened. James and Frank were two of the initial eleven students enrolled at Thornburgh College in June 1919. Catherine eventually enrolled at Blackheath in 1921.

James Mitchell spent little time in Charters Towers, preferring to remain in Winton with his business, though he did join the Civic Club in Charters Towers. James and his eldest son, Alexander William (Willie), remained in Winton while his wife (Eva) and the other five children lived in 'Yelvertoft' for a few years. Mitchell put 'Yelvertoft' on the market in June 1919 at £2000. It was sold to Rev. Francis Bacon during the first half of 1920, at a price which attracted a reference to Mitchell's "great generosity". The first students were enrolled there on 1 October 1920. Eva Mitchell returned to Winton along with her daughter Jess, who enrolled in the Winton school in June of that year. She became a student at Blackheath in 1929 but remained for a year only.

The Blackheath property was placed on the market in 1982, and the remaining students left there in the following year. As your article says, the building was destroyed by fire in 1992. It was the second Charters Towers heritage building in six months to fall victim to fire.

This updated information has been provided by Brian Hedges, husband of Jean who is one of the grand-daughters of James and Eva Mitchell.

ROMA'S CROSS LOADER FACILITY DEDICATED TO BUDDO GRANT

IOR Petroleum is proud to have installed a brand-new cattle cross loader facility at its Roma diesel stop, adjacent to the breakdown pad. Roma has been selected for this safety initiative as the end of the triple road train route and home of the largest livestock selling centre in the Southern Hemisphere. It is well known that the traditional method of transferring cattle between road train crates is considered one of the most dangerous activities for both drivers and livestock in the transport supply chain. The cross-loader is available for the industry to access for free as IOR seeks to help improve productivity, safety for livestock transport drivers, and animal welfare. Speaking about bringing the project to life, IOR Managing Director; Stewart Morland, said that it would not have been possible without collaboration and support from organisations throughout the region. "We would like to acknowledge Maranoa Regional Council for providing materials in-kind from the Maranoa Council Quarry, a significant portion of the overall project costs. We would also like to thank RyTrans, Roma Transport Services, and the Livestock and Rural Transporters Association of Queensland Inc. who were strong advocates for the initiative", Mr Morland said.

The Roma facility has been modelled on IOR's popular cattle cross loader facility in Port Augusta, South Australia used by Australia's essential livestock transport drivers.

Stephanie Grant wife of the late Buddo Grant traveled to Roma with her family to officially open the new cross loader facility on Thursday the 15th of July. This facility has been dedicated to Buddo who was a stalwart member of the Transport Industry for over 35 years. The Winton IOR fuel site was the first unmanned site for IOR with Buddo being their first customer back in 2005.

NEW CONTAINER REFUND POINT FOR WINTON

Winton residents have a new place to return eligible beverage containers for a 10-cent refund through the Containers for Change scheme. Outwest Container Exchange is now receiving containers for refund every Saturday morning at the Eric Lenton Memorial Recreation Grounds. The previous refund point on Elderslie Street is no longer accepting containers. The new pop-up refund point opened on July 10 and will be open every Saturday at the recreation grounds between 8am and noon.

The Containers for Change scheme offers a 10-cent refund for every eligible container returned at a registered refund point in Queensland. Queenslanders have proven themselves avid recyclers, with more than 4 billion containers and over \$400 million in refunds claimed since the scheme was implemented in late 2018. This has contributed to a 54 per cent decrease in beverage container litter in the environment. "It is important that everyone in our regional areas has access to recycling," said Ken Noye, chief executive of Container Exchange, the not-for profit organisation that administers the Containers for Change scheme. "Together we are making a positive impact on local communities and the environment, but there is more work to do. "We urge everyone in Winton to use the pop-up refund point on Saturdays and claim the cash in their containers." Winton residents can access the refund point by entering the Memorial Recreation Grounds via Fraser Street.

For more information on the Scheme visit www.containersforchange.com.au/qld

For more information, please contact: Trad McLean, Public Relations Advisor Container Exchange m | 0412 809106 e | trad.mclean@containerexchange.com.au w | containerexchange.com.au

Cleaning up our state since November 2018, Containers for Change aims to increase recycling rates and reduce litter by allowing Queenslanders to exchange eligible drink containers to either earn a 10-cent refund for each container returned, or donate the proceeds of those refunds to their nominated community group. COEX is the non-profit organisation that implements the Containers for Change scheme.

Sudoku 18: Difficulty level: Easy

BACK PAGE SPONSORS

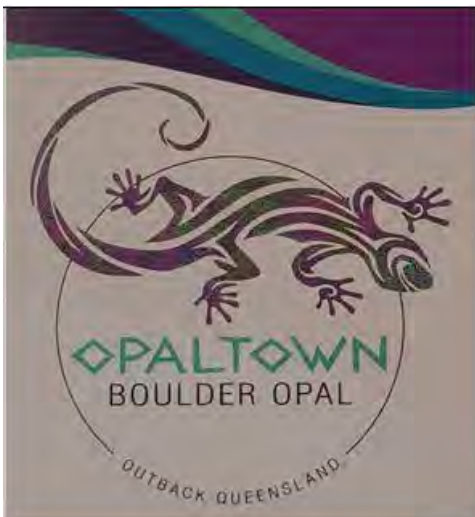

Using logic and reasoning you must fill the remaining empty cells in each of the 12 puzzles with a digit from 1 to 9, such that each digit from 1 to 9 appears:

- ✓ exactly once on each row
- ✓ exactly once in each column
- ✓ exactly once in each of the nine delineated 3x3 squares.

Last week's solution:

Solution Sudoku 17
