## A FAMILY FIRST FOR SCHOOL

*Article and photos with consent from Liarna Clarke.*

It is not too often that you have five of your children off to school in five different year levels. A local Winton family has just that with Takoda, John, Dragan, Dale and Markhor commencing Grade 12, 10, 6, 2 and Prep this year

How exciting for the youngest starting his school years and exciting for the eldest in this being his last year and then off into his own direction. Best of luck to you all.

"First day of school for 2022. This is the only year that we will have all 5 boys at school. Markhor was so excited to finally be starting school".

The Winton Herald is a volunteer-produced newsheet for Winton Business & Tourism Association facilitating and supporting business, tourism, and community of Winton Shire since 1967.

## Help keep us up to date!

Please submit your events, with location and time to

[wintonheraleditor@gmail.com](mailto:wintonheraleditor@gmail.com)

The WBTA hopes to have your event in our calendar at least two weeks prior to its occurrence to give those living out of town a chance to attend. In the past, many have commented that they did not know an event was on until it was too late - we are hoping to change that!

## Editorial Submissions

The Winton Herald currently does not have a local journalist and as such we rely on community members to submit articles for publication. If you have recently been involved in running an event, please send a short article and a photo or two to the Editor at [wintonheraleditor@gmail.com](mailto:wintonheraleditor@gmail.com) for inclusion in the next available issue. # Free Pfizer COVID-19 vaccinations for 5-11 year olds

## Winton Medical Practice

### **Vaccinations for 5-11 year olds are very important**

- COVID-19 is a serious illness that can affect 5-11 year olds as well.
- Getting vaccinated can help prevent your child from becoming seriously unwell, and make them less likely to pass COVID-19 on to vulnerable family and community members.
- The Pfizer (Comirnaty) vaccine has been clinically tested and proven safe and effective for people aged 5 years and older.

### **Dosage**

- Children aged 5-11 years receive a smaller dose (10 micrograms) of the Pfizer (Comirnaty) vaccine than those aged 12 years and over (30 micrograms)

### **Interval**

- For children aged 5-11 years, the second dose of the Pfizer (Comirnaty) vaccine is recommended to be administered 8 weeks after the first dose.

### **Parent/guardian consent**

- Consent from a parent/guardian is required and information and forms are available when you make your booking.

### **On vaccination day**

- Parents/guardians are required to accompany 5-11 year olds.
- Winton Medical Practice immunisers are specially trained to provide paediatric vaccinations.
- Please bring your Medicare card and Driver's Licence.

## WINTON SHIRE COUNCIL | COMMUNITY NOTICES

### CONGRATULATIONS CR SHANE MANN

At the January Council Meeting, Winton Shire Council proudly presented Councillor Shane Mann (Boo) with a Certificate for his outstanding 17 years of service as a Councillor to the Winton Community. Councillor Mann was due to receive this honour at the 2021 LGAQ (Local Government Association of Queensland) Annual Conference but was unable to attend. This was disappointing as it would have been fantastic for Shane to be recognized in front of his colleagues from other councils.

Councillor Mann commenced his dedication to council and the community and attended his first Council Meeting on 13 April 2004. He was allocated the Roads and Streets Portfolio and the Sports, Recreation and Culture Portfolio. Councillor Mann still sits on the Roads and Streets Advisory Committee today. Councillor Mann has been a passionate delegate for WSC on the Outback Highway Development Council (OHDC) and has lobbied for many years to see the completion of sealing on the road from Winton to Laverton WA (Outback way).

"He excels in every facet of his role as Councillor from communication to problem solving and always proves himself capable under high-stress situations. Shane has always had the betterment of his community at the forefront of any decisions and has been a tireless worker for Winton during his time and hopefully for many years to come". Said Mayor Gavin Baskett.

**Congratulations Boo!**

### Be COVID-Ready

In the coming months, it's likely that you may become infected with COVID-19. Most fully vaccinated people will only experience a mild illness, but if you do test positive, both you and members of your household will need to isolate for a minimum of 7 days after you receive a positive test result. Most COVID-positive people can isolate at home. To help you prepare, we've got a COVID-Ready Kit of some essentials that are good to have on hand.

What you need will depend on your situation which is why you can find more information here <https://www.qld.gov.au/covid-ready>.

#### Masks

Keep wearing your masks Queensland. You'll need to pop one on in all indoor settings except when in the home, if it's unsafe, or if doing strenuous exercise. We know masks may not feel natural or comfortable, but they have a role to play when everyone wears them. When you couple masks with social distancing washing your hands regularly and getting your booster, the protection you give yourself and others matters. For more information, visit <https://www.qld.gov.au/health/covid19/masks>.

## AN UNWANTED PEST AFTER THE RAIN

The rain was a welcome time for the town but with it bought some unwanted visitors.

This cane toad was found in front of Central Motors just after the rain.

It was nearly 12cms long which is huge for a toad and the amount of wildlife it would have destroyed in its travels is hard to fathom.
