for its excellence and valued contribution to the tourism sector.

Operating for 104 years, The Royal Theatre Winton provides unique cinematic and live performances under the Outback Queensland stars. As one of only two open-air theatres still operating in Australia, audiences can enjoy an outback experience not found anywhere else. Winton Movies Inc. Vice President, Ian Kelleher said "we've seen an annual growth of 500% over the last two years." Kelleher is excited about the future, "with the ongoing partnership with the Vision Splendid Outback Film Festival and a new relationship with Queensland Opera, we are looking forward to bringing many more cultural experiences to Outback Queensland."

QUEENSLAND OUTBACK MASTERS

Local tourist operator, Outback Queensland Masters has won a **Gold** Queensland Tourism Award at last night's annual awards ceremony, taking home Festivals and Events. Outback Queensland Masters won the honourable Queensland Tourism Award in the Festivals and Events category for its excellence and valued contribution to the tourism sector.

The Outback Queensland Masters is Australia's most remote golfing event,

spanning across six towns and designed exclusively for amateur golfers with the chance to "give it a crack" at the Million-Dollar Hole-In-One. In fact, the world's richest amateur golfing event gives everyday golfers the opportunity to win \$10,000 hole-in-one challenges in the first five locations Biloela, Charleville, Quilpie, Blackall, Hughenden, culminating with the million-dollar hole-in-one in Longreach.

"Last year's sold-out event achieved a record media reach of 47 million nationally, generated 4,316 visitor nights and contributed \$1.55M to the Queensland economy," said Executive Event Producer, Theresa Famularo.

"It's more than a golfing event. It's a golfing adventure throughout Outback Queensland, where players and spectators enjoy golfing of a different kind, followed Dinner under the Stars and live entertainment from award winning Australian performers," she said.

OUTBACK AUSSIE TOURS

We have some very exciting news to share with you! We have been working busily behind the scenes on organising our newest experience of a lifetime, Outback Rail Adventure.

This gorgeous Heritage Rail Motor will be making its way to Longreach next week via truck. We are introducing this experience to reconnect with the romance of rail as you explore the unforgettable Outback of Queensland. The first tour is set to commence in 2023. I'll be travelling from Ipswich's QR Workshop to Longreach this week, visiting some great landmarks and towns along the way.

EROMANGA NATURAL HISTORY MUSEUM

Australia's largest dinosaur, (Australotitan cooperensis) aka Cooper is excited for [Eromanga Natural History Museum](#) **Bronze** win at the 2022 Queensland Tourism Awards.

The Eromanga Natural History Museum (ENHM) is committed to discovering, conserving, and showcasing the fossil, natural and

cultural heritage of the upper Murray/Darling and Lake Eyre/Cooper basins.

The incredible diversity of Outback Australia's natural history is on display – from the tiniest fossils, the size of a sugar grain, to the mightiest dinosaurs Australia has ever seen.

Spanning a 14-year history, the ENHM is home to three purpose-built museum buildings: The original Workshop, a multi-million-dollar Reception Gallery (opened 2021), and the just completed Research Centre.

Guests can join a guided tour of the workshop, laboratory, and collection centre, then see the ancient giants come to life in the new multi-media theatre.

LONGREACH AUSTRALIAN STOCKMANS HALL OF FAME

Rounding out the 2022 [Queensland Tourism Industry Council](#) Queensland Tourism Awards is [Australian Stockman's Hall of Fame and Outback Heritage Centre](#) with a **Bronze**.

The Stockman's Hall of Fame, with its unique architecture, location and world leading digital interpretation has become a beacon for travellers to the outback. Australia has a rich natural and cultural heritage filled with scenic landscapes, deserts, and the bush. The Australian Stockman's Hall of Fame underpins a sense of place and national identity.

Our heritage includes stories, traditions, events, and experiences that have been inherited from the past and reflected into today's world. Given our epic heritage, it's no surprise that the Australian Stockman's Hall of Fame's experience has been unparalleled since it opened in 1988.

Without the conventions of traditional museums, you are free to experience the galleries empowered and immersed, using the latest sound and audio technology.

The easy-to-use digital storytelling technology allows you to be completely involved in an interactive adventure of a lifetime.
