# WINTON OPAL FESTIVAL & Jewellery Design Awards

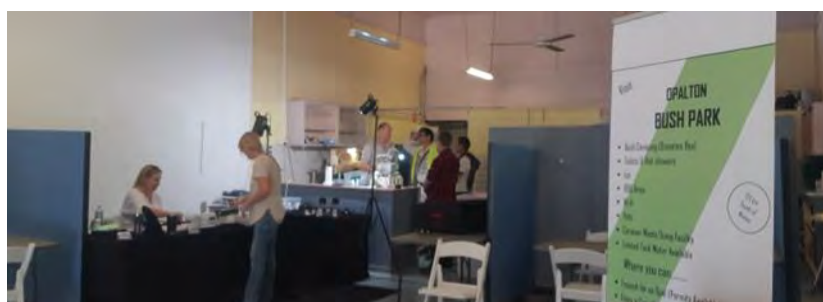

*Article submitted by Alison Summerville*

## Festival News

The 2022 Winton Opal Festival has once again proved a major success for the Opal industry and the Winton district.

The comment for the weekend has been "there was more money than opal".

Production had been stalled with recent wet weather and many miners have only worked for 2 to 3 weeks. Those who were lucky enough to supply opal had good sales and even some of the locals brought out their goods. With international buyers back in attendance there were smiles all around. This year the QBOA Business Centre opened its doors for the week prior to and during the festival. It was a great success organising stalls, memberships, holding cutting demonstrations, cut stone sales and tourism advice. It was a very busy time for the QBOA committee. The street was busy for the two-day event selling jewellery, specimens, carvings, and other goods. All stallholders were very happy with the number of sales.

## Jewellery Awards Night

A stunning display of jewellery, fashion, and art at the Waltzing Matilda Centre, all inspired by Queensland boulder opal. The gala event for the year is always the Jewellery Design awards dinner, and this year was no exception. Over 100 people enjoyed a great dinner supplied by Chloe Stockham at the Tucker box Café. Drinks supplied by the North Gregory Hotel with the assistance of the Strang family. Natasha Taranto & Janice Evert created a wonderful display at the Waltzing Matilda Centre showcasing the 41 entries in the 6 categories. Approx. 140 visitors voted for Peoples Choice during the day – the winner Rita Williams with Enigma. It was a great family atmosphere. Mayor Gavin Baskett spoke of the ongoing support to the industry and the benefits to the Winton shire. James Evert, President of QBOA highlighted the amazing achievements the industry has made over the years, especially the level of entries in this year's event.

## Help keep us up to date!

Please submit your events, with location and time to  
[wintonheraldeditor@gmail.com](mailto:wintonheraldeditor@gmail.com)

The WBTA hopes to have your event in our calendar at least two weeks prior to its occurrence to give those living out of town a chance to attend. In the past, many have commented that they did not know an event was on until it was too late - we are hoping to change that!

## Editorial Submissions

The Winton Herald currently does not have a local journalist and as such we rely on community members to submit articles for publication. ## SPECIAL WINTON HISTORY

*Information and photos with permission from Stephen Fleay*

Views from the road, near and into Winton in the remote outback of Western Queensland in 1964.

On the very flat landscape a drover on his horse and a huge flock of sheep.

The signs on the outskirts of Winton.

The town is famous for Waltzing Matilda and the place where the airline Qantas started.

These were my early days of photography using a 35 mm Pentina Reflex Camera.

These pictures were taken on Plus X black and white film. I developed the negatives and produced the prints. That was over 55 years ago. Now in 2021 adding colour gives me great satisfaction.

Winton Shire Council | Mayor's Message

## 2022/23 Budget Speech

On behalf of Council and the community, I'm pleased to present the Winton Shire Council Budget for 2022/23.

Last year was very busy for Council with a large capital works program and this will continue into 2022/23. A total of \$7m in Capital Works Projects & Operating Expenses will be carried forward to the new financial year. This is due to the size of the Capital Works Budget, the difficulty in sourcing contractors, the lingering effects of COVID and the shortage of applicants to fill many of the vacant roles within Council. These are not just issues for Winton but are being experienced nationwide. I am hopeful the wheel will turn in the new financial year, and we can fill some very important positions on Council.

One of the key strategic documents to be considered as part of the Budget adoption is the Corporate Plan for 2022/27. This is a very important document that will guide elected members and council's decision making for the next 5 years. The 22/27 Corporate Plan has been developed with consultation and feedback from community, staff and elected members.

**The Budget for 2022/23 will total \$51.4m (comprising \$26.2m in operating expenditure and \$25.2 in capital expenditure). When the depreciation expense of \$5.3m is deducted, this still leaves a budget of \$46.1m**

One of the challenges we face is maintaining services with a small rates base. We have kept the increase to Rates & Service Charges to 2.5%, which is well below the current national inflation rate of 5.1% for the March 2022 quarter. Council continues to offer a 15% discount on Rates and Service Charges if they are paid within the discount period. The rates incentive draw has been maintained along with rates concessions for first home buyers and investment in residential dwellings and commercial / business renovation or construction.

Before preparing a Capital Works Program, it's essential that core operational expenses and services are sufficiently funded. Once again Council will be delivering a large range of services that assist families, youth, rural residents and the elderly. Many of these services are essential to our community's wellbeing and development;

- Community & Individual Support
- Family Support Program
- Community Options
- Youth Development
- Community Care Services
- Child Care Services
- Community Care Packages
- NDIS Program
- 60 & Better Program
- Sport & Recreation
- Library
- Winton Aerodrome
- Showgrounds
- Swimming Pool
- Recreation Ground

The Capital Works portion of the budget is almost \$25.2m with an emphasis on the renewal and replacement of ageing infrastructure. The projects selected will keep our community thriving for the next financial year and

provide a wide range of opportunities for our local contractors and businesses, while keeping Council's workforce busy. The Capital Works program consists of: -

<b>Engineering Projects</b>	<b>\$ 16,685,174</b>
<b>Water &amp; Sewerage</b>	<b>\$ 650,700</b>
<b>Development Projects</b>	<b>\$ 2,894,910</b>
<b>Community &amp; Cultural Projects</b>	<b>\$ 2,757,441</b>
<b>Administration &amp; Finance Projects</b>	<b>\$ 538,423</b>
<b>Plant Purchases</b>	<b>\$ 1,210,000</b>
<b>Building Works</b>	<b>\$ 450,996</b>
