## Clean Up Australia Day

Well done Winton, "clean Up Australia Day 2022" is done and dusted (pardon the pun!). Today was well attended, thank you to those who turned up. The morning was finished with a well-earned breakfast. Thank you to mother nature as she turned down temp for a little while, which was nice but obviously we had to fight off the flies. Unusual piece of rubbish prize was shared between the children, well done to them for coming along. I apologise for not taking a photo of the attendees and rubbish but there would have been a couple of cars of rubbish picked up from around town, well done.

The Winton Herald is a volunteer-produced newsheet for Winton Business & Tourism Association facilitating and supporting business, tourism, and community of Winton Shire since 1967.

For a full colour version please head to: [www.winton.qld.gov.au/community/winton-herald](http://www.winton.qld.gov.au/community/winton-herald)

## Help keep us up to date!

Please submit your events, with location and time to

[wintonheraleditor@gmail.com](mailto:wintonheraleditor@gmail.com)

The WBTA hopes to have your event in our calendar at least two weeks prior to its occurrence to give those living out of town a chance to attend. In the past, many have commented that they did not know an event was on until it was too late - we are hoping to change that!

## Editorial Submissions

The Winton Herald currently does not have a local journalist and as such we rely on community members to submit articles for publication. If you have recently been involved in running an event, please send a short article and a photo or two to the Editor at [wintonheraleditor@gmail.com](mailto:wintonheraleditor@gmail.com) for inclusion in the next available issue. Please note **submission deadline of 8pm Monday** for all articles and photos. Articles may be edited for length or consistency.

## FLIPPING BACK THE YEARS

WINTON HERALD, JANUARY 2<sup>ND</sup> 1948

### SPORTS CARNIVAL

The first function under the Western Progress Association was a sports carnival at Mills Creek, four miles out on the Longreach Road, yesterday – being New Years Day.

The sports programme was arranged by Mr W. G. North and in this work, he was ably assisted by Mr F. Sammon.

Patrons were conveyed to the site by Motor Lorry supplied by Messrs A. Elliott, E. Perry and Mr L. Shaw and many other motor vehicles helped to make the crowd a sizable one.

At the gate, Messrs K. Holm and H. Wooderson collected 15 pounds.

Mr & Mrs E Perry and Miss Joan Mitchell all directed a soft drink booth, with good results and Mr A. Elliott acted as starter.

The net financial result amounting to 45 pounds.

A good start for the Memorial Baths Fund.

Sports events were run with Mr C. Dooley as judge.

Horse races were also run.

## Sheep and goat industry update for Longreach

Leading Sheep and Meat & Livestock Australia (MLA) are encouraging red meat and wool producers to register for the Leading Sheep MeatUp Forum that will focus on both production and business management topics at Longreach on Friday, 25 March 2022.

Together, Leading Sheep and MeatUp bring you an event addressing key priorities for goat, sheepmeat and wool businesses including reproduction; restocking and rebuilding; nutritional requirements and supplementary feeding; key business metrics and return on capital investments. Plus, the Leading Sheep MeatUp Forum offers a great opportunity to network with fellow producers and industry representatives through the day and during the Leading Sheep MeatUp Forum Dinner.

The collaborative event features a red meat market update from MLA General Manager Research, Development & Adoption, Michael Crowley, and a wool industry update from Emily King, AWI Program Manager, Research & Extension.

Gordon Refshauge, NSW DPI, will focus on improving sheep reproductive performance to increase productivity and profitability, and Rob Inglis of Elders will address sheep feed intake and nutrition requirements from joining through to weaning.

Lester Pahl, of QDAF, will explore the equivalency of sheep and goats from an intake/DSE perspective, how quickly goats reproduce and the subsequent impact on grazing pressure, and Gordon Refshauge will also address why maiden does may be the weak link in reaching greater weaning rates for goats.

Michael Crowley, MLA General Manager Research, Development & Adoption, said there's something at the Leading Sheep MeatUp Forum for all sheep and goat producers.

"In addition to production-oriented topics, there is also a business management focus. John Francis of Agrista will provide insights into the MLA goat benchmarking project and will talk on both quantitative and qualitative costs to be aware of for infrastructure projects.

Recruitment and retention of

team members and diversification into tourism are also explored."

The Leading Sheep MeatUp Forum Dinner follows the Forum and promises to be an exciting end to the day. Louise Moore, Project Manager of Leading Sheep, is encouraging producers to travel to Longreach, saying 'the Leading Sheep MeatUp Forum and Dinner is a great opportunity to catch up with fellow producers and industry representatives. Producers will also enjoy hearing from guest speaker, Dennis Hoiberg, with his unique insights into emotional wellbeing, resilience and thriving through change.'

Registration is essential, online at [mla.com.au/meatup](http://mla.com.au/meatup) or phone 1300 746 466. Given current COVID-19 requirements, all people attending must be symptom free and double vaccinated.

For the forum, tickets for MLA Members are \$25 and Non-members are \$50, and Leading Sheep MeatUp Forum Dinner tickets are \$50. All ticket prices are GST inclusive

## MEDIA RELEASE

### Grant program to help Maranoa's sporting events bounce back

Sporting events across Maranoa are set to benefit from the Coalition Government's Regional Sport Events Fund.

Now open for applications, the fund will support community sporting events across the region with an aim of kick-starting the economy and encouraging visitors back to Maranoa communities.

Funding of up to \$50,000 will be available to over 400 eligible Local Government Areas (LGAs) in Very Remote, Remote, Outer Regional and Inner Regional areas to partner with their local clubs/associations and sporting event organisers to host a wide range of sporting events in their communities.

Federal Member for Maranoa David Littleproud said that all 17 LGAs across Maranoa were eligible to apply for the grant, which would help kick-start local events after the impact of the pandemic.

"Sport is often the glue that brings people together across the expansive Maranoa region and this program aims to fast-track the recovery from what's been a very challenging period for region," Mr Littleproud said.

"Local sporting clubs and associations play an incredibly important role in community strength and through this fund, the Australian Government is encouraging our community to come together and celebrate through sport.

"Staging these events will also benefit the small businesses in Maranoa that are central to our local economy."

Local government areas are encouraged to work with local sporting clubs and organisations to deliver fantastic sports events to their respective communities.

Events can range from "come and try days" to larger events including elite sporting exhibitions and state level competitions that engage the broader community.

"Community sport has been hit hard right across Australia as a result of the pandemic – but we all understand the power of local competition and the opportunities it presents to bring communities together," Mr Littleproud said.

"This fund will help to reboot many of the events that were cancelled or postponed and will encourage local government to be creative in how they re-engage with their local area."

Applications for the Regional Sport Events Fund are now open.

More details about the program, including the Fund Guidelines and closing dates can be found on Sport Australia's Grants and Funding page

- [https://www.sportaus.gov.au/grants\\_and\\_funding/regional-sport-events-fund](https://www.sportaus.gov.au/grants_and_funding/regional-sport-events-fund).
