## Help keep us up to date!

Please submit your events, with location and time to

[wintonheraleditor@gmail.com](mailto:wintonheraleditor@gmail.com)

The WBTA hopes to have your event in our calendar at least two weeks prior to its occurrence to give those living out of town a chance to attend. In the past, many have commented that they did not know an event was on until it was too late - we are hoping to change that!

## Editorial Submissions

The Winton Herald currently does not have a local journalist and as such we rely on community members to submit articles for publication. If you have recently been involved in running an event, please send a short article and a photo or two to the Editor at [wintonheraleditor@gmail.com](mailto:wintonheraleditor@gmail.com) for inclusion in the next available issue. Please note **submission deadline of 8pm Monday** for all articles and photos. Articles may be edited for length or consistency.

## WINTON VISION SPLENDID MEDIA RELEASE

**Winton's Vision Splendid Outback Film Festival** is the only film festival of its kind in Australia. Inspired by the Sundance Film Festival, Winton's Vision Splendid Outback Film Festival is a very full 9-day event celebrating Australian screen culture in outback Queensland. The Festival brings a collection of the very latest Australian films, masterclasses, workshops and film-related events to a broad audience. Staged in historic Winton, the Festival was developed for two main reasons;

- 1/ Driving Tourist and tourism dollars to Winton and Outback Queensland
- 2/ Building a sustainable economy for Winton and regional Queensland, through the creation of a new film industry, by promoting itself as 'open for business' to the film and television makers of Australia through the festival.

Winton's Vision Splendid Outback Film Festival is becoming known for being more than just another event on the regional circuit. It is becoming known for an industry facilitator. Through its connections and bringing industry experts to the region they are seeing what Winton has known for years.

We are delivering on one of our objectives to make Winton nationally and hopefully internationally known as the *Hollywood of the Outback*. With over 20,000 visitors during the festival since its inaugural event in 2014 and delivering over \$2.5million in economic benefit during that time. The creation of the Winton Walk of Fame will continue to develop with another inductee having their star placed on the footpath in front of the Royal Open-Air Theatre.

Vision Splendid Outback Film Festival continues to grow and develop with new initiatives each year, in 2022 we are introducing two days of Industry Days with industry professional participating in panels and open discussions. All of this cannot occur without the support of businesses such as yours. Winton Business District has been extremely supportive of the festival over the last 8 years, and we hope that relationship continues to develop and grow. Should you wish to discuss anything regarding the festival or have suggestions, please do not hesitate to contact me or anyone on the committee.

**To thank the Winton locals for their support over the years Vision Splendid Outback Film Festival has introduced a Locals Festival Pass where you can come to every movie for a total cost of \$50. This is a saving of \$225 per pass. We welcome you to purchase a pass via [www.visionsplendidfilmfest.com](http://www.visionsplendidfilmfest.com) with the password Winton4735.**

If you are in a position to support the festival, your consideration to financially support through a small sponsorship that you are comfortable in providing. As a sponsor your business will receive recognition in the festival printed program; on [visionsplendidfilmfest.com](http://visionsplendidfilmfest.com); and on screen prior to each film during the festival. Should you be in a position to sponsor over \$2,500 (+ GST) then we would comprise a package specific to your business.

Little Johnny gets caught digging a hole  
in his backyard.

Puzzled, the neighbour asks Johnny  
what the hole is for.

Johnny replies, "It's to bury my goldfish."  
Seeing the large size of the hole, the  
neighbour is confused. "Why is the hole  
so big, Johnny?" the neighbour asks.  
Johnny replies, "It has to be! My goldfish  
is inside of your cat."

One morning, a firefighter came to  
Little Johnny's classroom to give a  
safety presentation. He held up a  
smoke alarm and asked the class if  
anyone knew what it was. Little  
Johnny immediately raised his hand,  
and the firefighter called on him to  
answer. "That's the bell that tells  
mum that supper is ready!"

## FLIPPING BACK THE YEARS

### WINTON HERALD - DECEMBER 1<sup>ST</sup> 1936

#### HAMMONDS CASH AND CARRY STORES

There are two of these stores, one at the corner of Manuka and Vindex Streets under the Management of Mrs Hammond, and the other at the corner of Vindex and Werna Streets managed by Mr Hammond.

Grocery, Crockery, fancy goods, confectionery and bottled drinks, Ice Creams, Cakes and Provera Bread are only a few of the lines carried. These people have shown great enterprise, which we hope will be aptly rewarded.

### GREGORY NEWS - JUNE 15<sup>TH</sup> 1903

In the Police Court on Wednesday last before the police magistrate James Williams, otherwise "Jimmy Hardface" pleaded guilty to drunkenness and using obscene language.

For the drunkenness he was discharged with a Caution and for the language, fined 2 pound in default 14 days imprisonment.

### GREGORY NEWS - SEPTEMBER 30<sup>TH</sup> 1898

There is some talk of trying to arrange a swimming carnival at the Bore Dam on some date near at hand.

With such a fine sheet of water so near, it should certainly be not difficult matter to arrange, and, if the swimmers appear in the usual "Varsity Costume"- sleeveless jerseys and knickers, ladies might attend and a large muster assured.

### CAPRICORNIA NEWS, JUNE 22, 1894

Winton May 24<sup>th</sup> -

The Longreach Coach due this day last week came in on Saturday Night over three days late, having been caught in a heavy downpour of rain at Eversham Country.

The passengers left the Coach and walked thirteen miles under the heavy rain to Griers Hotel where they were delayed three days.

Fortunately, they did not cause a famine there - Mr Grier had abundant for their wants.

One passenger, Mr E Jowett of Kynuna, did not stay till the coach could travel, by getting a horse and rode onto town, 50 miles.

The town is lively tonight with a shooting gallery and a merry-go-round, the latter patronized by the Winton children who have never before except in a dream or a picture book seen anything of the sort.

# AFTER HAVING COVID

## For the next 7 days after ending isolation

You can go to work or school or return to your normal activities.

You don't need a negative test result to go back to work or study. There is no need to show a negative test to your employer or educational institution.

This is because most people who get COVID-19 will continue to test positive for some time after they have recovered, even though they no longer have COVID-19 and are no longer infectious.

If you leave your house:

- wear a face mask, including whenever you are indoors, or when you're outdoors but can't socially distance
- wash your hands regularly.

A child under 12 years old is not required to wear a face mask for 7 days after ending their isolation, however a school may require a student to wear one as part of their policies for health and safety reasons.

Don't visit these settings unless for a permitted limited purpose and you have advised them you are a diagnosed person in isolation in advance:

- an aged care facility
- a disability care setting
- a correctional facility like a prison
- a healthcare facility like a GP or a hospital.

You can go to these places if you work there or you are getting care.
