## Help keep us up to date!

Please submit your events, with location and time to

[wintonheraldeditor@gmail.com](mailto:wintonheraldeditor@gmail.com)

The WBTA hopes to have your event in our calendar at least two weeks prior to its occurrence to give those living out of town a chance to attend. In the past, many have commented that they did not know an event was on until it was too late - we are hoping to change that!

*Continued from Page 1*

When St. Patrick's School was designated a training centre for Pupil Teachers, extra Sisters stayed at the Convent, and during World War II (1942-1945) St. Patrick's College in Townsville was moved to Winton, and even more nuns called the convent home.

The Cross, which for so long has indicated the religious significance of the Winton landmark, has been kept for future use in the parish.

## GEORGE McBRIDE OAM

*Article submitted by Noel McBride (part 1 of a two part article)*

**'A Significant Man' 6/05/1921-14/04/2020**

George McBride who died at Alexandra Headland on the Sunshine Coast was truly an exceptional man, leaving a proud legacy. He was an inspirational person of immense talent and energy who made a significant positive difference to whatever he turned his attention to.

George was a mostly uncelebrated war hero, serving in New Guinea during WW2; successful in business and a pillar of community being deeply committed to Community Service as well as family. In many ways he epitomised the real Australian spirit.

George was born the first son of a Robert and Elsie McBride, a blacksmith and a seamstress, growing up first in Invinebank on the Atherton Tableland, then later in Cairns. He first trained as a motor mechanic before joining the RAAF in 1940 at the age of 19 years. He served in the Pacific

Theatre generally in aircraft groundcrew doing maintenance and repair, but also in a special unit involved in difficult repair and salvage operations undertaking duties in extremely trying and risky conditions.

In New Guinea he earned the nickname 'Wizzer' because of his ability to do the seemingly impossible through improvisation, borrowing, begging or exchanging- essentially from American units-to keep aircraft operational and in salvaging crashed and damaged aircraft.

On one occasion after having crash landed at Kerowagi in the New Guinea highlands and undertaking a salvage job, he responded to word from the local indigenous people of an aircraft crash on Mt Wilhelm, the highest mountain in NG. He immediately mounted a rescue operation with native bearers, making an arduous climb to over 3000m into the 4579m mountain with another serviceman to successfully rescue two surviving badly burnt and injured airmen. For this he was Mentioned in Dispatches and Commended by the US Air Force.

He had many lucky escapes, for instance he revealed in his autobiography of an operation at Aitape in northern NG. His duty was to come in behind the landing force and to establish a serviceable airstrip. He related that while there he saw a need and began driving a jeep ferrying severely wounded men, strapped to it on stretchers, back from the front line and was shot through the back of the neck by a sniper. Up to that time he had always brushed off any mention of the scar as a 'welding accident'.

## WINTON BRANCH

What do you know about the QCWA? First thing that comes to mind....Tea and Scones....Let's have a 'sconeversation'.

With 44000 members across 1855 branches The Country Women's Association is the largest women's organisation in Australia. Women from all walks of life are members of the CWA and it means something different to everyone.

Famous for our cooking and handcrafts CWA is so much more than that. CWA is a charitable organisation and a powerful influence as a force for good. CWA advocates for and provides opportunities for women around education, health, and community through every phase of a woman's life.

Behind the aprons and teapots some very determined CWA ladies established the Qld Bush Children's Health Scheme, Public Rural Crisis Fund, made birthing kits and stationary packs for poor countries. They've opened aged care hostels, baby clinics, bush nursing and partitioned to save koalas. Also supplied medical equipment for rural hospitals, advocated for farm safety with Giddy Goanna, lobbied for seatbelts in cars and road safety with the introduction of the rumble strips along the side of roads. The list goes on....

Beginning in 1922, the association turns 100 next year and big celebrations are in the making. Stay tuned for what Winton has planned.

Our branch is about connecting with other women and working together to contribute to community events and fundraising. We are very proud of our hall which we are constantly looking to improve. We have air conditioned it, installed a hot water system and new stove and put together a kids corner complete with TV and DVD. We encourage members from out of town to take advantage of our great facilities when visiting town. They are also available to community groups and for private functions at a small hire cost. The first project for our branch in 2021 will be catering at the WOW fest, we look forward to supporting this great community event. We welcome new members (you don't have to be a good cook, most of our meeting smokos boast more bought bickies than home cooked and that's fine). Memberships are due in June but if you join now you get the next three months free!

We meet monthly at our hall. Usually Wednesday afternoon but we do mix it up a little, so check the Herald for some contact details and give someone a call.

It's about friendship, community and connection!

Article and Photo Submitted by Justin Smith - Captain/Coach

Last Saturday the Winton Diamantina Devils kicked off their Central West Rugby League season for 2021 by taking a young side of 21 on the long road trip to Blackall to play the Blackall Magpies. In what's always a tough game this one was no different with plenty of rock-solid hard-hitting defence from both sides. With the scores level at nil all after the first 40minutes. It was anyone game in the second half with both teams starting

to fatigue and getting a little scrappy in their play. Full time score was Blackall 16 Winton 0. Though we didn't come away with a victory there were plenty of great signs with the way the team played especially with having so many new faces in the team with only 7 of the 21 players having played A-grade for the Devils before. Congratulations to Patrick Smith on winning man of the match in his first game in Winton Devils colours. Home game this weekend against the Barcaldine Sandgoannas - 6pm kick off.

### Why is rosemary worn on ANZAC day in Australia?

Through ancient history to modern times; across cultures and countries, folklore and science **rosemary** has been a symbol of love, trust, friendship and loyalty.

The associations of rosemary with ANZAC day have **an added dimension**, in the fact that rosemary grows wild across the Gallipoli peninsula.

What's more it has always been believed that **rosemary** has properties that improve and boost memory.

## Media statement

**Queensland  
Government**

23 February 2021

### **BreastScreen Qld mobile van heading to Central West**

BreastScreen Queensland's state-of-the-art mobile screening van will visit the Central West region from early March and women are encouraged to attend and have their free breast screen.

A breast screen was the best way to detect breast cancer early, well before a woman or her doctor could feel anything, BreastScreen Queensland Rockhampton Service Health Promotion Officer Roxanne Hodda said.

"The risk of breast cancer increases with age, that's why we encourage all women over 40 to have a breast screen ever two years and particularly women between the ages of 50 and 74," she said.

"On average, one in eight Queensland women will be diagnosed with breast cancer and, of those, 90 per cent will have no family history of the illness.

"Early detection could save your life, with 9 out of 10 women surviving thanks to early detection.

"So, if you haven't been keeping up to date with important health checks, now's the time to do so.

The BreastScreen Queensland schedule for the Central West is:

- Alpha: 8 March – 10 March.
- Longreach: 12 March – 14 April.
- Winton: 16 April – 27 April
- Barcaldine: 29 April – 13 May
- Blackall: 17 May – 27 May.
- Tambo: 31 May – 2 June

Ms Hodda said the BreastScreen van visited the Central West every two years, with the last visit being in 2019.

"This is a great opportunity for women to access breast screening, especially when it is delivered closer to your home," she said.
