## Diamantina Devils selected for U15 State Championships

Article and photos submitted by Frank Standfast

Two young Diamantina Devils travelled to Cloncurry over the weekend for the NorthWest Rugby League Selection Trials.

Gabriel Hasted and Kelly Remfrey made the trip up thanks to Lionel & Natasha Hasted who were on transport and cheer squad duties for the lads. They joined other young hopefuls from Longreach,

Cloncurry and Mt Isa in a training session with NorthWest Coach Dave Kerrigan teaching them the finer points of defence and ball skills before they jumped into three trial games followed by a decider game of possible and probables.

Both Winton lads as well as Maxwell & Kylil Phineasa from Longreach were picked to go on and represent the NorthWest Schoolboys in the U15 State Championships on the Sunshine Coast in May

Gabriel and Kelly are reportedly very excited to be picked and can't wait to show their talent in May

Be sure to congratulate the boys if you see them around, Well done Lads

## Winton Shire Council Mayor's Message

How fast is the year going? It seems like Christmas was only yesterday. It's been a very busy month and hopefully this is the beginning of a big year.

The WWOWF is just around the corner and tickets are still on sale, it would be great for our local businesses to have a sell-out. The event managers have been working hard to implement our COVID safe plan. All the appropriate measures are been taken in consultation with QLD Health to make sure it's a safe environment and all the compliance measures are adhered to. You can still get your Local Tickets from the WMC.

I was glad to see WQPHN working closely with local health care providers administering the COVID 19 vaccinations to our aged care residents and staff at the hospital. They are our most vulnerable residents and it's reassuring to see them prioritised in the national roll out. Because our communities in Western Qld have a small population and long distances to travel we will be immunised together not in a phased roll out. Community vaccinations have commenced in the Central West with the Barcaldine region receiving the first round. We are waiting for notification from Qld Health as to when this will occur in Winton and will share this info as it is released.

Grasshoppers are still present in some parts of our shire causing grief to graziers that have received some rain recently. Minister Mark Furner visited town and properties, and spoke directly with land owners to hear their concerns first hand. A working group has been established to study grasshoppers and they've also authorised an emergency chemical for ground base spraying. Although spraying may not be ideal or cost effective it does give graziers options if they want. Unfortunately, we are coming to the end of our wet season and there hasn't been any good widespread rain across our shire.

We've been talking about a La-nina weather event for the last 6 months, but it's seemed to have bypassed us. Let's all keep our fingers crossed that we can get some decent rain in the coming weeks.

Councillors and I have had several meetings recently with state and federal ministers. We ventured across to Longreach to have a sit with the opposition leader David Crisafulli, Lachlan Millar and several mayors from our region

to discuss issues currently facing our shire. We also had Stirling Hinchliffe (Minister for Tourism) in town last weekend to visit some of our great attractions and talk to local operators. The minister is a big supporter of Western Qld and will be returning for the WWOWF.

As part of an Outback Way delegation I travelled to Canberra recently to lobby for funds to complete the seal from Winton to Laverton WA. The current funding will have 1800km of the 2700km journey sealed. If we can secure a guarantee of funding over the coming 5 years there'll be a bitumen road from Cairns/Townsville to Perth via Winton and Uluru. Once complete Winton will be a major cross road from North/South and East/West which will hopefully flow through to businesses and create opportunities for growth.

We have the races returning this weekend after a year off due to COVID. I'd like to wish the North Gregory Turf Club all the best and encourage everyone to get down and enjoy a great day at the races. The Diamantina Devils are also travelling to Charters Towers this weekend for their first full hit out of the season. Good luck to the mighty Devils and can't wait to support the boys through 2021. This is the beginning of a very busy events calendar with the WWOWF after Easter and culminating with Outback Festival in September and lots in between. People say there's nothing to do in the bush, but they've obviously never been to Winton!

## OUTBACK FROM ABOVE

October 2016, the owner of Elite Aviation Services Pty Ltd, Hylton Ward received a phone call suggesting he make the effort to come out to Winton too see what Winton District had to offer. Hylton was so impressed by the place and even more so with the people that by March 2017 he had settled in Winton with a rented hanger, a rented house and a cross hired helicopter.

### 'Outback From Above' was born!

Hylton quickly became involved with the WBTA and The Outback Festival which opened the doors to the community and local events and resulted in winning Outback From Above's first major contract – to supply helicopter flights to Birdsville's Big Red Bash and we continue to do so today.

We offer scenic flights and charters in fixed wing aircraft (planes) and helicopters throughout the Winton District and beyond. We also operate helicopters at Winton's Outback Festival, Winton's WOWF, Boulia Camel Races, offer flights to Australian Age of Dinosaurs, Dinosaur Stampede, Gilberton Retreat, Cobbold Gorge and as mentioned the Big Red Bash.

We are excited to announce that we will soon be launching a new service at Hells Gate Roadhouse - watch this space!

This season we will also be offering a new tour. Who fancies a sunset helicopter flight with stop over for champagne and nibbles on your own personal viewing platform, just a short flight from town?

We offer support and emergency services during floods and fires to a range of different clients and provide pilot support roles in the Torres Straits.

Winton is home to 'Outback From Above' and home for Hylton, now with two hangers, a house and aircraft. To complete the picture, a soon to be wonderful wife in Miss Vicki Jones.

Hylton and his team look forward for welcoming you on your next airborne adventure. Don't forget we also do gift certificates for those special occasions!

Thank you Winton for all the support and ongoing commitment to making Winton such a wonderful place to call home.
