

## WINTON BOARDERS NEWS

Article submitted by Tina Elliott

### CONGRATULATIONS TO THE GRADUATING CLASSES OF 2021

As your paths all take a different course from now on, may your future be everything and more – hold your experiences, memories and friendships from school close and set your goals high, believe in yourself and enjoy the journey – the world is your oyster.

Awards Day followed by Graduation was held on Friday for Columba Catholic College. **Toby Turnbull** received an award for Residential Leadership – acknowledging his leadership and consideration of others – Toby and

*Toby Turnbull/Tudehope Families*

classmates then attended their Graduation Ceremony where they celebrated the completion of 13 years of schooling. Congratulations Toby.

### Service and Other Major Prizes

The Reverend Professor John Moses Humanities Scholarship (2022) – **Caitlyn Elliott**

The All Souls & St Gabriel's Past Students Assoc Prize for Service – **Piper Godfrey**

The Edna Allingham Memorial Prize for the Girls Captain – **Piper Godfrey**

In other news, Jacalyn Elliott and Tiarra Fogarty played in the Beach Rugby competition in Townsville on Sunday. They played two games against Kirwan State High in the draw

# THE WINTON HERALD

## Winton Business & Tourism Association

<b>President:</b>	Hylton Ward
<b>Vice President:</b>	Jeff Close
<b>Secretary:</b>	Vicki Jones
<b>Treasurer:</b>	Kate Cremin-Rose
<b>Editor:</b>	Jodie

## Publication Purpose

The Winton Herald is a publication produced by volunteers of the Winton Business & Tourism Association.

All our volunteers who assist in production of this weekly publication have commitments to full-time employment and their families outside of their volunteer responsibilities to The Winton Herald.

## Editorial Submissions

The Winton Herald currently does not have a local journalist/editor and as such we are relying on community members to submit articles for publication. If you have recently been involved in running an event, please send a short article and a photo or two to the Editor at [wintonheraldeditor@gmail.com](mailto:wintonheraldeditor@gmail.com) for inclusion in the next available issue. Please note **submission deadline of 8pm Monday** for all articles and photos. Articles may be edited for length or consistency.

## Advertising Submissions

Advertising helps to cover our costs of production and ensure that we can continue providing this weekly publication. All advertisers require a credit account with the Winton Business & Tourism Association, if you are a new advertiser, please email [coordinator.wbta@gmail.com](mailto:coordinator.wbta@gmail.com) for an account application form.

Advertisements should be emailed to the Editor at [wintonheraldeditor@gmail.com](mailto:wintonheraldeditor@gmail.com) with the following details:

- Size of ad placement
- Date the ad is to be run and if the same ad repeats
- Ad should be attached as a PDF or JPG

## Ad Rates

Open Cross-Country Champion – **Piper Godfrey**

Open Athletics Champion – **Piper Godfrey**

Best All-Round Senior Sportswoman – **Piper Godfrey**

### BOYS

Most Improved/Most Consistent Effort in Sport by a Senior Student – **Kevin Mutton**

## ICPA – ISOLATED CHILDRENS PARENTS ASSOCIATION

*Article submitted by Susie Brodie*

**Does the name Isolated Children's Parents' Association ring a bell? What about ICPA? Do you know anything at all about our volunteer, non-for-profit, apolitical organisation?**

The ICPA Winton Branch is a dedicated group of individuals working towards equal education for our rural kids both in and out of town. But rather than tell you about our history, (check out our website – [www.icpa.com.au](http://www.icpa.com.au)), we would like to tell you about how ICPA is important to OUR Winton community and what we've done and will continue to do for our local children.

Firstly, our members' issues concerning their children's education - whether it is lack of specialist subjects, teacher retention issues, poor internet access or sporting disadvantages – are lobbied by ICPA State and Federal Councillors to relevant government ministers and departments. In the past two years at ICPA QLD State Conferences, our branch has lobbied for the following concerns and achieved great results.

- We fought for the retention of increased bandwidth for Distance Education subjects during the COVID-19 periods of home schooling – this motion was passed and Education Queensland agreed to maintain that level of bandwidth saving money for rural families.
- We also ensured that funding for the Longreach State High School's hospitality facilities was fairly allocated to adequately upgrade the Big Red Truck for the benefit of the Winton State School senior students and our community.

Finally, many of our fundraising efforts ensure that we can continue to sponsor pre-service teachers during their placements at our Winton schools.

In the last year, our branch offered financial support to both Stacey Sanders and Campbell Evans during their final placements. Having experienced everything that the Winton Shire and surrounds had to offer, they were both eager to stay! In Term 3, 2021, Stacey and Campbell commenced their employment as teachers in Winton. And from what we have heard, they are invaluable additions to their schools and their students. It is wonderful to see them thriving as teachers and members of our community and we hope they continue to enjoy their time in Winton!

We could write pages and pages about the wonderful things that ICPA has accomplished for this community but instead, we invite you to our AGM on Friday the 10<sup>th</sup> of December. Join us from 4.30pm in the North Gregory Hotel dining room for nibbles and a drink. After the meeting is finished, head down the main street for late night shopping! We look forward to seeing you there!

Do you remember these great volunteer projects of the Winton Lions and Lioness Clubs? Helping the community and having fun at the same time!

*All proceeds will go to a local club...*

## CR SHANE MANN

### ANNUAL REPORT

#### TRANSPORT, INFRASTRUCTURE AND UTILITIES

- *Roads and Streets*
- *Water and Sewerage*
- *Waste Management*
- *Shire Plant and Equipment*
- *Airport Development and Infrastructure*

It's been another busy year for Council and it is particularly pleasing to see the progress on the new residential estate behind the Hospital. These new blocks should become available in the first half of 2022. It is also great to see the new stables under construction at the showgrounds which will be a much-improved facility for future events. The Parks and Gardens team are to be congratulated on maintaining Elderslie Street, the Recreation Grounds and the whole town in general to such a high standard for our residents and visitors. The Council has received great feedback on these facilities from many people who attended the wide range of events over the last 12 months.

- Some projects completed during the 2020-2021 financial year include: -
- Hughenden Road Pave and Seal completed to a high standard;
- Richmond / Winton Road Pave and Seal with additional works in the pipeline to progress the completion of this road sealing project within the Winton area;
- Concrete floodways on the Diamantina River Road;
- Sealing of the access road into the Lark Quarry Dinosaur National Monument;
- Sealing of a further section of the Winton / Jundah Road;

Our Works team have had another busy and successful year and I take this opportunity to highlight other projects which have been completed due to funding being made available: -

- Transport and Main Roads Projects;
- Transport and Main Roads – Road Maintenance Performance Contract (RMPC);
- Transport and Main Roads – Transport Infrastructure Development Scheme (TIDS);
- Transport and Main Roads – Transport and Tourism Connections (TTC);
- Queensland Reconstruction Authority Flood Damage Projects;
- Queensland Reconstruction Authority Betterment Projects;
- Australian Government Roads to Recovery Projects;
- Stabilising and Sealing works on the Winton / Richmond Road.

The RMPC Contracts with Transport and Main Roads include: -

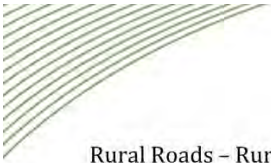

- Schedule 1 - Maintenance of State Controlled roads;
- Schedule 2 - Management of Declared Pest and Weeds State Control roads;
- Schedule 3 - Incident Management;
- Schedule 6 - Reseal Preparation works also Rural Maintenance works – Emergency works on the Diamantina River Road and Winton Jundah roads.

Town Maintenance and Construction Works include Kerb and Channel Rehabilitation in Oondooroo Street (200m between Elderslie Street to Vindex Street on the West side) and a spoon drain at the Musical Fence site. The crews have been working on replacing footpaths and pram ramps around the town to reduce potential trip hazards. I once again commend both the Roads and Parks & Gardens crews for the exceptional work they are doing including the line marking and painting of the garden beds. It is also worth noting the last conditional assessment on our road network presented a very positive result with only 1.1% of our roads being in bad condition.

Grid Maintenance – The Works Section have established a new grid maintenance program to ensure they are operational and effective. A total of 160 grids out of 260 have been inspected in the Shire for defects and cleanliness and a cleaning program has started using a rating program by condition of grids in our local areas.

**Rural Roads** – Rural road maintenance has been progressing well. Crews have been intergrading maintenance works in with the flood damage program. This will enable Council to get a better value for money out of both programs. Roads that are not part of the flood damage program will be monitored and maintenance will be conducted as needed. Rural Reseals on the Jundah Road and Jundah / Cork Road have been completed.

**Capital Works – Reconstruction of Floodway's** – During the 2020 / 2021 flood events, some of Council's floodway infrastructure was damaged which made them eligible for funding under the Queensland Reconstruction Authority Betterment Works funding. Council were granted six floodway reconstruction works ranging from full reconstruction to installing new margins with all projects completed before the end of the financial year.

In terms of the Disaster Recovery Funding Arrangements (DRFA) received through the Queensland Reconstruction Authority, we will have just under \$9m for the year ahead. Further works to be completed are new sections of the Winton / Richmond Road and the Winton / Hughenden Road, along with improvements to the rural roads network. Additional funding has been allocated to these areas which will enable Council to concentrate on the areas that require the works.

Having worked in this industry for the past 44 years, it is a good feeling to be able to put something back into my community. Through our regular meetings with Staff and Management, we can set goals which result in positive outcomes for both the people of Winton and the rural community. In terms of our Water and Sewerage infrastructure, new lines were installed where required including a new 150mm poly line from the town to the showgrounds to improve water flow. The maintenance of this infrastructure is a key priority for Council and staff in this area are doing a great job in monitoring these essential services.

**Shire Plant and Equipment** – The plant replacement program is on track with the delivery of 2 x new Cat Graders with older machines being sold via tender. Plant is assessed at regular meetings of the Streets and Machinery Advisory Committee to see how we are going against budget.

**Airport Development and Infrastructure** – Recent improvements include the installation of a new AV Gas tank with other improvements being considered including new Precision Approach Path Indicator (PAPI) lighting and a new Jet A1 Fuel tank. These improvements will attract more jet planes and visitors into Winton to enjoy what we have to offer.

The feedback from visitors is our little community is wonderful, friendly and vibrant as we battle to keep things green and growing in this climate.

As a local, I love seeing people being involved in community events and committees as I am with the Winton Men's Shed. It is very pleasing and rewarding to be able to share some quality time with the older and younger people of Winton. I also represent Council on the Board of the Waltzing Matilda Centre Limited, Chair of the Streets and Machinery Advisory Committee and the WORC Camp. I am also on the Board of the Outback Highway which will see visitor's travelling on a sealed road from Cairns to Winton and across the middle of the country to Laverton in Western Australia on the Outback Highway. I am also involved in trying to erect a lagoon / bird habitat at the South-Western entrance to Winton, to complete the walking track and have a recreation area for both the people of Winton and visitors alike and like so many other organisations, I am always open to giving a hand.

I would like to end this note by saying I am here for the long haul, I love Winton and the community which make up this wonderful part of Australia.

Councillor Shane Mann

## WINTON SHIRE COUNCIL | COMMUNITY NOTICES

### EMPLOYMENT OPPORTUNITIES

Winton Shire Council currently have employment opportunities available for highly motivated, positive people with a passion for their community. The successful applicants will have the opportunity to join a conscientious and progressive team that are making a difference in their community.

Full-time positions vacant:

- Community Welfare Manager
- IT Vision Implementation Officer

Casual positions vacant:

- Personal Care Attendant
