“WINTON’S NEWS FOR WINTON”

Friday|3 April|2020

## Crafty Team

The AGM of Winton's storefront to local Arts and Crafts, souvenirs and local history was recently held – just before the coronavirus restrictions came into force. Operating out of the historic Corfields and Fitzmaurice building, the not-for-profit had a very successful 2019 year, helped in part by the introduction of EFTPOS facilities.

Success also included the Association's nominee for Australia Day Citizen Award (Ann Holm) being successful, a better financial situation, more local and away craft people selling through the centre and increased financial support to local groups distributed from profits. These achievements come from the efforts of a band of volunteers under the co-ordination of fellow volunteer Donna Paynter.

The very popular local history display featuring the Corfield and Fitzmaurice story, Opalton, dinosaurs and the wool industry suddenly became even more popular when the entry fee was changed to a gold coin donation. Increased patronage and income ensued. This innovative trial was endorsed as policy at the AGM.

The new displays in the shop windows include a

media presentation, thanks to financial support from Brodie Agencies. Volunteer get-togethers have been popular.

Long term supporters Nookie Mitchell and Rosie Archer have hung up their serving aprons this year after many years of donation of time. Interested citizens are invited to join the volunteer team.

The re-opening of the attraction has been put on hold due to the virus but social distancing is a great opportunity to get into some arts and crafts at home and be ready for when the doors re-open.

Office Bearers for 2020 are: President Merry (Nookie) Durack, Vice President Lyn Fraser, Secretary Ros Blackett and Treasurer Norma Parker.

### Winton Shire Council

#### 1st April 2020 Coronavirus Update #4

The Winton Shire Council appreciates the cooperation from the community as we continue to implement controls to protect our community. We recognise that not everyone is on social media so we will continue to provide you with regular written updates, however for those people that are familiar with mobile devices, we recommend that you download the official government “Coronavirus Australia” app in the [Apple App Store](#) or [Google Play](#), or join the [WhatsApp channel](#) on [iOS](#) or [Android](#).

#### Please Stay Home

The advice to all Australians is to stay home unless it is absolutely necessary to go outside. You are permitted to leave home for the essentials, such as:

- shopping for food or essential goods and services,
- engaging in exercise (no more than two people if from different households),
- going out for medical appointments or to the pharmacy,
- providing care or support to another person in a place other than your home,
- going to work if you cannot work from home,
- attending court or comply with an order, and
- attending an educational institution.

Steps for social distancing in all homes include:

- keeping visitors to a minimum,
- regularly disinfecting surfaces that are touched a lot, such as tables, kitchen benches, hand rails and doorknobs, and
- increasing ventilation in the home by opening windows or adjusting air conditioning.

Social distancing in public means people:

- stay at home and only go out if it is absolutely essential,
- keep 1.5 metres away from others,
- avoid physical greetings such as handshaking, hugs and kisses,
- use tap and go instead of cash,
- travel at quiet times and avoid crowds,
- avoid public gatherings and at risk groups like older people, and
- practise good hygiene.

**Advice for Older Australians**

In accordance with the measures announced by the Federal Government to protect older Australians from contracting the coronavirus (COVID-19), people who are aged over 70 should stay home and self-isolate and limit contact with others as much as possible. This also applies to people over 60 with chronic illness or Indigenous Australians over 50.

Council recommends that people aged 70 and over should stay at home and self-isolate for their own protection to the maximum extent practical. This does not mean that you cannot go outside for the purposes of getting some fresh air, and recreation, but steps should be taken to limit contact with others as much as possible for their own protection.

### **Keep in touch with others**

You can still keep in touch with loved ones while you practise social distancing:

- use video chats
- make phone calls to people you would normally catch up with in person
- use online groups to interact
- chat with neighbours while keeping 1.5 metres apart

### **Are you OK?**

Please check in with family and loved ones to make sure they are ok. People will have a wide range of responses to the unfolding COVID-19 situation. Support is available if you, or someone you know, are experiencing stress, anxiety, or any other challenging responses. You can arrange for a phone or video chat with counsellors or psychologists by calling 0417 703 729, email [info@outbackfutures.org.au](mailto:info@outbackfutures.org.au), or for further information on other support services available contact the Winton Neighbourhood Centre (4657 2680).

### **Financial Support**

Financial support is available to support individual and families during this difficult time, please contact the Neighbourhood Centre or visit the [Service Australia](#) website for more information.

For information and assistance for businesses from the Queensland and Australian Governments visit: <https://www.business.qld.gov.au/>

### **JobKeeper Payment**

The JobKeeper Payment is a subsidy to businesses, which will keep more Australians in jobs through the course of the coronavirus outbreak. The payment will be paid to employers, for up to six months, for each eligible employee that was on their books on 1 March 2020 and is retained or continues to be engaged by that employer.

Where a business has stood down employees since 1 March, the payment will help them maintain connection with their employees. Employers will receive a payment of \$1,500 per fortnight per eligible employee. Every eligible employee must receive at least \$1,500 per fortnight from this business, before tax.

The program will commence 30 March 2020, with the first payments to be received in the first week of May as monthly arrears from the Australian Taxation Office. Employers can register their interest in

applying for the JobKeeper Payment via The Australian Taxation Office (ATO) from 30 March 2020.  
<https://www.ato.gov.au/general/gen/JobKeeper-payment/>

#### WINTON "BUY LOCAL" GIFT CARDS

*Have you just moved to town? You may be eligible for a "Buy Local" Gift Card.*

*Cards will be distributed from the Winton Shire Council Main Office. Please bring proof of residing in Winton.*

*If you do not wish to obtain a Buy Local Card for yourself, you can give it to a Local Community group in need.*

*The Buy Local Card is available from the Council Administration Office.*

The guidelines for the distribution of the Winton "Buy Local" Cash Card are as follows: -

- a) Each Winton 'Buy Local' Gift Card will be pre-loaded with \$300 and shall be valid for a period of 12 months;
- b) The cards will only be valid within the Winton Shire Council area;
- c) To be eligible to receive a Winton 'Buy Local' Gift Card, the resident's name must be listed on the current Electoral Roll for the Winton Shire Council or be a resident with proof of residing in Winton;
- d) Cards will be distributed from the Winton Shire Council Main Office;
- e) Before a card is issued, the resident will need to provide a form of identification (e.g. drivers licence, Medicare card, pension card etc.) satisfactory to staff and must sign for the card;

- g) Cards will be issued to an individual in person only;

To be eligible to receive a card, the resident must be over 18 years of age.

Following the February 2019 Monsoon Flood disaster, the Winton Shire Council was provided with Commonwealth Category D – Exceptional Circumstances funding to the value of \$1m. From this funding, the North-West Queensland Flood Disaster Carcass Disposal Strategic Master Plan was developed, and Council administered payments of \$5,000 per property to assist with carcass disposals. A total of \$685,000 was paid to eligible landowners within the Winton Shire. This left a balance of \$315,000 to be used on priorities deemed most urgent to Council associated with the event.

After much consideration, Council decided to use the balance of the funding on purchasing and distributing pre-loaded Winton 'Buy Local' gift cards (1,000 cards @ \$300 plus costs) for community members within the shire. Following this flood event, Council considered our **local businesses** were greatly disadvantaged, even though they suffered minimal flood damage, the town was isolated and the flow of visitors stopped. Compensation was not available to offset this financial hardship so the Winton 'Buy Local' gift card was considered the best option to support our community and local businesses.

Each Winton 'Buy Local' Gift Card will be pre-loaded with \$300 and shall be valid for a period of 12 months from 15 October 2019.
