## Winton’s Australia Day celebrations ended with a splash

The morning started at the Winton Shire Hall with breakfast and the Official Australia Day Ceremony, wherein the Australia Day Awards were presented. The awards were as follows:

*Citizen of the Year – Donna Paynter  
Young Citizen of the Year – Jorja Fuller  
Senior Sports Award – Brendan Lenton  
Junior Sports Award – Jasmine Elliott  
Event of the Year – Bikes and Bullets  
(organised by Winton Dirt Bike Club,  
Diamantina Rodeo & Campdraft  
Association Inc., and Winton Pony Club)*

National Emergency Medals were also awarded to the following people:

*Jacqueline Lailder  
Shannon Van Bael  
Melissa Doyle  
Gavin Baskett  
Helen Fogarty  
Jodie Gadd  
Caroline Sciascia*

Then came Winton’s second hosting of the Great Australian Bites event. The Great Australian Bites boasted local

business stalls, a performance by Humphrey B Bear at 10:30am and music entertainment by Julie and Tracy. After the morning’s events, celebrations moved to the pool on Elderslie Street. The pool celebrations catered to all ages and were classically Australian – cold beer, sausage sizzle, snow cones, kids’ games, water park fun, cricket, swimming competitions, Buccaneer obstacle course timed trials, painting lessons by the Winton Social Collective, and live entertainment from Queensland band *Homegrown*.

Please submit your dates with a location and time to [wintonheraleditor@gmail.com](mailto:wintonheraleditor@gmail.com).

# Roadside advertising

## **What better way to advertise local businesses than roadside advertisement as you enter town?**

Now is the ideal time to advertise your business, and an opportunity to do so has come along. Winton Shire Council were kind enough to give six businesses the chance to add their own roadside sign to the signs on the Longreach road.

The Winton Business and Tourism Association have been in contact with a supplier and have an approximate price. The offered signs are metal—much like the new Waltzing Matilda Centre sign—and come with brackets for installation, and the supplier will print your design.

The Winton Business and Tourism Association is also happy to assist businesses organise the rejuvenation of an existing sign.

## NOMINATION FOR COUNCILLOR – WINTON SHIRE COUNCIL

### TEONIE STOCKHAM

PO Box 315, WINTON QLD 4735

I am a local resident born and raised in Winton, and now raising my own young family here. I have always taken an active role in the community, in various committees and organisations.

Over the years my interest and knowledge of local government and everything they do, has grown. I have always liked to keep up with the council minutes so as to be in touch with what is happening and planned for our community. I look forward to the challenge of learning the role of councillor and becoming an active member of the team to get the best results for our community.

I am a passionate local who believes that Winton as a community has a lot to offer not only in the tourism industry but also the agricultural, small business, cultural and community side.

I have always held high expectations of the Council as a concerned community member and I would relish the opportunity to uphold the highest standard of service to our wonderful town and its residents.

I believe this is a golden opportunity for the next generation of Wintonites, such as myself, to gain valuable experience and knowledge that can, and will be, put to use in the coming years. I want to see Winton move forward and become a sustainable and thriving hub of the Outback. There are very exciting times ahead for our town, and I have the dedication and desire to help be a driving force behind this exhilarating time of our towns' future.

Written and authorised by Teonie Stockham 27/01/2020

My name is Kerry Turnbull and I have nominated for the position of Councillor in the upcoming Local Government By-election on 6 February 2021.

Born and raised in the small Burdekin town of Millaroo on my family's cattle property 'Landers Creek', I completed my education at Ayr State High School in 1991. I worked as a station hand on Landers Creek for the first few years after finishing school. I successfully applied for an administration position in Mount Isa, where I worked for the Department of Primary Industries until I married in 2003.

Upon the retirement of my Grandparents, my husband and I moved to 'Oondooroo' in the Winton district in 2004. This property has belonged to our family since 1991.

Jason and I have two children that were educated through Longreach School of Distance Education and are presently doing their secondary education at boarding school in Charters Towers.

Eleven years of home tutoring kept me busy and I have always been involved in the day to day running of the property with my husband. During this time both Jason and I became involved in various vital community groups and have volunteered in executive roles when required.

Being in part-time employment in town for the past several years has provided an insight and understanding of rural and urban trials, tribulations and successes.

My family has always taken a committed approach to council and its benefit to the community, with my late Grandfather being a local Shire Councillor in the Burdekin Shire Council for seven years, and a representative on the Drought Committee for the Winton Shire Council.

It is very important to me that council representatives be approachable, passionate and dedicated to improving the Winton community, and I believe that these are qualities I possess.

If elected, I would certainly represent Winton Shire Council with pride.

INSPIRING HOPE AND LEADERSHIP

January 2021

Dear Friends

A.B. Paterson College is anticipating the completion of our group accommodation facilities in Elderslie Street by the end of 2021, ready for use in 2022.

This \$3M project will cater for up to 150 guests, and will contain both individual and group accommodation facilities, as well as dining and catering facilities. With a future proposed classroom and business hub space, this centre will enhance the wonderful offerings already present in the town and provide an opening for Winton businesses to a new niche market.

With this in mind, I am delighted to offer the opportunity for local businesses who may benefit from our development, to be a 'business partner' in our project. Specifically, I am seeking to partner with those Winton business and community groups who would like to access, support and engage with the unique corporate and school groups intending to use our facility.

While we are open-minded and keen to support all businesses, I am specifically interested in connecting with tourism operators and businesses, fresh food suppliers, logistics companies, and businesses interested in catering for the many guests who will use our facility. Conservative figures suggest that the Winton community could benefit from this business venture to the tune of \$1.6M per year at full operation.

If you are interested in partnering with our College, and in so doing having your brand and offerings promoted to the future clients of our accommodation centre, 'Barty's Place', please contact me by emailing me on [ceo@abpat.qld.edu.au](mailto:ceo@abpat.qld.edu.au).

It is my greatest hope that our project will bring a far greater awareness of the Outback, and more specifically Winton, to a new generation of young people who will grow with a true sense of Australia in their hearts and come back year after year with their own families.

I welcome your friendship and hope that we can indeed form stronger business partnerships that will support each other for many years to come.

Yours sincerely

## WANTED: Black ironstone

The Australian Age of Dinosaurs Museum is looking for up to **200 cubic metres** of black ironstone to put around the new Gondwana Stars Observatory, which is under construction at Dinosaur Canyon. Weathered black ironstone on ridges that can be scraped up with a front-end loader would be suitable, provided a reasonable quantity is available in one area.

The Gondwana Stars Observatory is being rendered with jet-black concrete to resemble a meteorite and the ironstone is needed as a top surface to create an impact-crater effect around the building. If anyone within less than 150km of Winton has ironstone ridges that they think will suit, please contact David Elliott on 07 4657 0712.
