BOULDER OPAL

Last Saturday's Winton Opal Festival was a resounding success, with an energy and excitement unseen for many years. The support of the opal mining community, local businesses and the many Queensland visitors who attended ensured our one day event went off like the play of colour in a great piece of opal - electrifying.

They arrived from every part of Queensland, from the Daintree south to the Gold Coast and everywhere in between.

Many new young buyers attended, along with some regulars, eager to purchase a parcel, cut stone or jewellery.

Generation Gap, provided some lively entertainment, and the weather was perfect. The committee worked hard to ensure the Covid 19 health regulations were strictly adhered to and we received a big tick of approval.

We would like to thank our major supporters, the Winton Shire Council and the Aussie hotel for their support. Also thanks to stallholders and businesses for making this a successful event.

See you all next year for another round of this great opal event.

Public Program and What's on Guide**OPENING OCTOBER @ THE OUTBACK REGIONAL GALLERY**

Captured: Portraits of Crime is an exhibition produced by NSW State Archives that explores the stories of men, women and children incarcerated in NSW gaols from 1870 to 1930.

Captured: Portraits of Crime engages with photographic portraits and descriptions of prisoners sourced from the State Archives Collection of Gaol Photographic Description Books. These historic records have been digitised, and interpreted through research within and beyond the archives to illuminate events and contexts that led ordinary people to commit crimes. But as the ordinary unfolds, so, too, does the extraordinary.

Captured: Portraits of Crime is a travelling exhibition from State Archives and Records Authority of New South Wales.
